XTERRA World Champion

Greg Ball Defends World Title

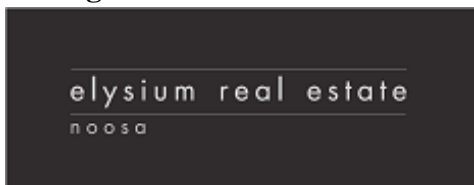

Noosa local and co-owner of Le CycloSportif, Greg Ball, has defended his Xterra World Championship crown! Our true blue Aussie and proud supporter of the Noosa Tri Club crossed the line of the off-road triathlon in Maui, Hawaii in a time of 3:23:40. That was good enough for victory in the 55-59 male age group... AGAIN!

The course included a 1.5km swim, 32km bike on the slopes of the West Maui Mountains and a 10.5km run. Greg managed to swim 26 minutes, ride the mountainous terrain in under 2 hours and run the 10.5km in 55 minutes. Top effort, Greg. We're all so proud!

Introducing some of our **PROUD SPONSORS**. We'll be hearing from them:

ITU Grand Final

Club members, Nigel Forster and Sally Ratcliffe completed the Olympic and Sprint Distance races, respectively, at the recent ITU World Triathlon Grand Final held in Rotterdam.

They both showed some great pace, guts and determination to cross the line as strong as they started.

While Sally represented Australia, we'll still congratulate the Kiwi import as well! Well done to both of you!

Well done to everyone who competed at last month's 70.3 event hosted in Mooloolaba. As you will see below, the commitment of our member's is "second to one". Well done to all who made it to that finish line in quite steamy conditions. And congratulations to the Club as a whole for earning second place in Division II of the IRONMAN Tri Club Program.

If you do have individual results to share (for ANY event), please send details and any photos through to NTClubNews@gmail.com
